WEB 160 Assignment 2 - User Profile

Title: Fiske Genealogical Library
URL: <http://www.fiskelibrary.org>

User Profile: Mary has been working on genealogy for many years. She belongs to the DAR but seldom attends meetings. Vacations with her husband are sometimes to places where she can advance her research and visit local historical societies. She and her husband are retired from running a small construction company, now owned by their son. They frequently volunteer their services working on old buildings. She taught English in Japan after college. She has an Ancestry.com account and uses her PC netbook for online research. She's not confident with technology and usually requires help to operate her computer and printers. She drives a 12 year old compact car. She shops for clothes at discount stores, and sews many of her home furnishings.
